Find out how you can help prevent certain HPV-related cancers and diseases.

GARDASIL<sup>®</sup>9 helps protect girls and women 9 through 45 years of age against cervical, vulvar, vaginal and anal cancers caused by HPV types 16, 18, 31, 33, 45, 52 and 58 and genital warts caused by HPV types 6 and 11. GARDASIL<sup>®</sup>9 does not treat HPV infection, cervical cancer or its consequences and may not protect everyone who gets vaccinated. Women should still get routine cervical cancer screening. Not recommended for use in pregnant women. Side effects and allergic reactions can occur.

For complete information about the benefits and risks of GARDASIL<sup>®</sup>9, visit [http://www.merck.ca/static/pdf/GARDASIL\\_9-PM\\_E.pdf](http://www.merck.ca/static/pdf/GARDASIL_9-PM_E.pdf).
